"National Runaway Prevention Month"

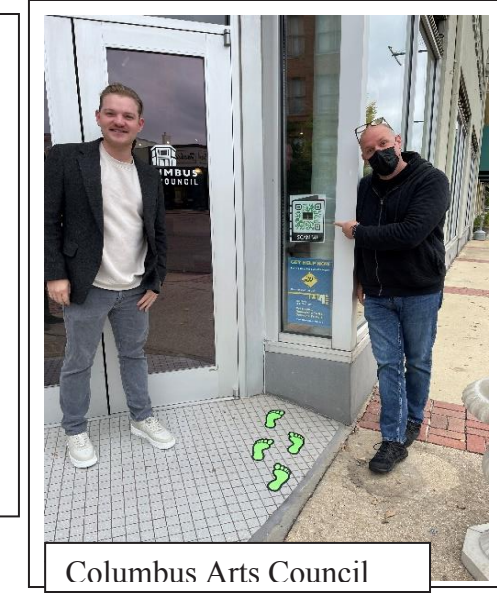

For National Runaway Prevention Month, we partnered with Mississippi State University Social Work program for wear green day, passed out green light bulbs for houses down Main Street, put out green ribbons to different businesses, and took the NRPM banner around to different locations during the month. Shelter Counselor, Kasy Ates, came up with an idea to put out a QR code to different businesses, that when scanned would give you more information about National Runaway prevention month. We would like to thank all those who participated and helped SKWFS spread awareness for National Runaway Prevention Month!

"SKWFS Christmas 2021"

Thank you to our community who donated toys, backpacks, pajamas, hygiene supplies, comforters, food items, and wish list items. The youth had a fantastic Christmas, and this will also allow us to replace items that will be used for the youth we serve during the year. We also would like to thank everyone who donated through the Holiday Giving campaign donations, and supported our annual fundraiser in purchasing Christmas shirts, tiles, and ornaments! There are never enough words to express the gratitude and impact you make for these children in crisis.
